## **8. Speaker 2**

City Planning Department: Steven Cover and Ryan Chapdelain. Presentation on proposed zoning text amendment to allow accessory dwelling units city wide, excluding the barrier islands.

CCNA Executive Committee presented a resolution on the ADU zoning text amendment, for distribution to all delegates to take back to their neighborhood associations for input and to vote on, before it is presented to the city. Chairman Lou Costa made a request to Marlon Brown that the city provide CCNA with more time for neighborhood input before placing this ZTA on for the Commission calendar to vote.

After discussion, JoAnne Gonet made the following motion, which amends the original motion: I will amend the motion that the resolution be sent to the neighborhood associations for discussion and back to CCNA for vote.

Seconded by Linda Holland.

Motion was voted on and approved.

This discussion is available for viewing on-line at the CCNA website.

End of meeting at 11:15 AM.
