

# Meaningful Neighborhood Input

June 3<sup>rd</sup>, 2023 Update

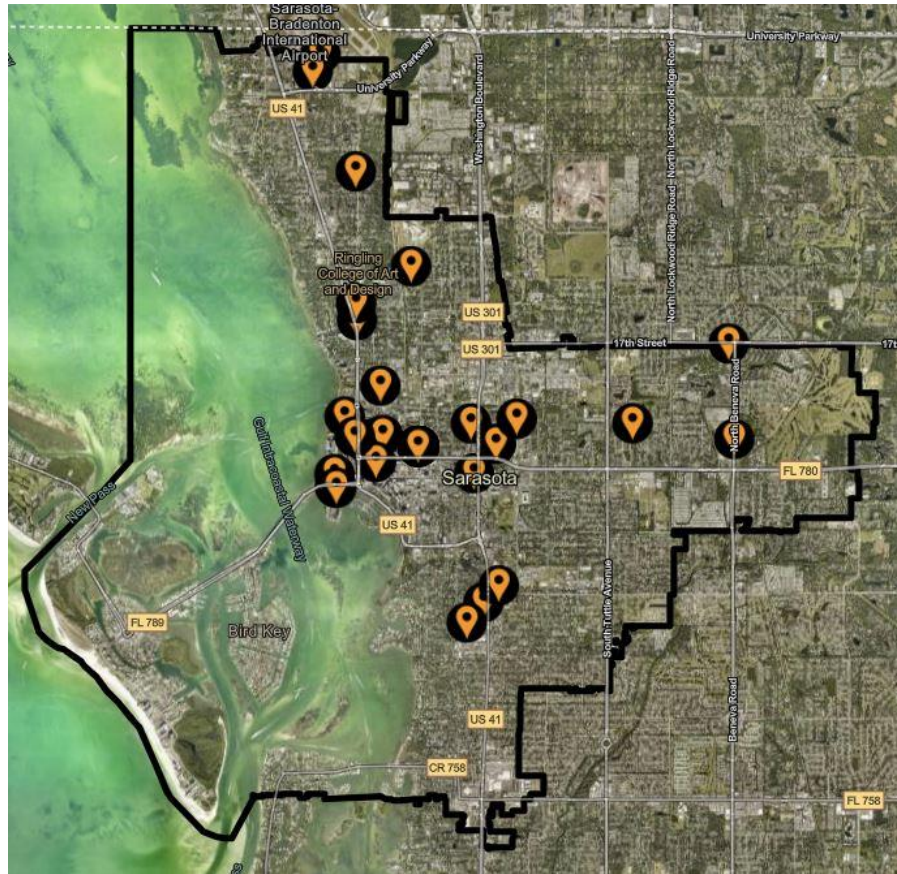

# MNI Impact – Improved Information

Orange boxes are the result of CCNA discussions with city staff. Neighborhoods now receive notice & can engage with case planner.

(complete flowcharts available on CCNA website)

# MNI Impact – Improved Information

Development Services now has interactive map of development applications.

# Planning versus Development Services

	Planning Department	Development Services
Department Head	Steven Cover	Lucia Panica
Zoning Code	Writes the code	Implements the code
Development review	Not involved	Reviews designs to confirm they are in accordance with regulations – through Development review committee (DRC)
Development Approval	Not involved	Approves applications for “administrative approval” (projects that do not go to the Planning Board & City Commission)
Code Compliance	Not involved	Enforces compliance of permitting and zoning
