

# 2023 CCNA Neighborhood Summit - Input Categorized and Ranked

## 1. Health and Safety

Restrooms closed in parks

Too few Hawk Signals

Homelessness

Traffic speeding / calming / cut through

Air quality, toxicity

Trucks on residential streets

Police moral

Police presence

Police tools need to be updated

## 2. Planning

Shade Trees

No Right Turn out of Selby - WAS PROMISED

Commercial Encroachment into Neighborhoods

Complete walkable sidewalks

Density / Comp Plan

Street lighting not repaired

## 3. Code Compliance/Enforcement

Stub electrical poles - city to hold utilities accountable to remove

Distrust

Public Input Discouraged (No anonymity)

Enforcement varies by District

Noise - Muscle Cars

- industrial noise

- construction noise

Hotel Houses/Vacation Rentals

Not enough use of Click-to-Fix - educate more people to use

Code Compliance - Zoning

## 4. Infrastructure

Flooding

Intersection at Golden Gate and Ringling

Water Quality

Street Maintenance

Reserve portion of property taxes for infrastructure below standards

Cross walks / sidewalks

Safety - parking lots / not enough

## 5. Meaningful Neighborhood Input

Starting at DRC Level

More Retail downtown but not chains

Give Neighborhoods input on budget allocation

Location of public art

## 6. Development Services

Too many Projects approved in close proximity

Too many adjustments

Poor review of development applications

Ignoring compatibility when reviewing projects

## 7. Hotel Houses/Vacation Rentals

Loss of neighborhood identity

## 8. Parks

Too few permits for park use

too few "poo stations" for dogs

## 9. City General

City Staffing - more staff and ensuring paying market salaries

Consistency when City Commission reviews advisory board decisions

Retailation for city District 3 commissioner / reactive

More budget focus on neighborhood priorities

## 10. Communication

Ask Candidates to speak to CCNA

Interaction Between City, County, other agencies

Ask Commissioners to attend, participate in CCNA

Email overloads and late communication

## 11. Bobby Jones

Legacy Trail Connection

Final Plans

## 12. Other

Digital Age - with responsible response

Green Conservation - sustainable city

Loss of Cty Building

Homeless

Hold City Accountable

Trash - need

## 13. Internal Support

Lack of support for Neighborhoods with Non-CCNA issues

Lack of nurturing younger people to the city and to CCNA

Lack of CCNA being pro-active on issues

## 14. Economic Stability

No Conference Center

## 15. County

Adjust bus schedules for more use across neighborhoods
