Dear Mr. Shirley,

The Coalition of City Neighborhood Associations is pleased to support the Arts and Cultural Alliance's efforts to bring affordable housing, studio and performance spaces for artists to the City of Sarasota.

During our November 7, 2020, CCNA's membership voted unanimously to support the Artspace concept being proposed at 4644 N Tamiami Trail.

We're ready to help you bring this project to life. Let us know how we can help.

Sincerely,
