# Crime Prevention Tip: How to Report a Crime in Florida

**Call 911** - For emergencies or crimes in progress that pose immediate danger to life or property.

**Use the Non-Emergency Number-** Report non-urgent incidents such as vandalism, theft with no suspect on scene or noise complaints through your local sheriff's or police department's non-emergency number.

**Submit an Anonymous Tip-** Many Florida counties partner with Crime Stoppers programs, allowing you to share information without revealing your identity.

**Report Online--** Some agencies provide online portals for filing non-emergency reports or tips.

**Visit a Local Law Enforcement Office -** For ongoing concerns, in-person reporting may be best especially if you need to share detailed information or documentation.
